

**Invitation to Attend
2nd JPET (Japan PET Resin Trade, Applications & Recycling), 15-18 Mar 2016 Tokyo**

Dear Members

The Japan Containers and Packaging Recycling Association (JCPRA) and CMT are pleased to invite you to attend 2nd JPET (Japan PET Resin Trade, Applications & Recycling) conference taking place at Shinagawa Prince Hotel Tokyo on 15-18 March 2016.

CMT once again, brings together international PET players and Japanese companies who are involved in PET packaging to discuss and share new ideas in this fast moving market, with topics including:

- 7 & I CSR initiatives and approach to sustainability
- Global PET/ Polyester Market & the continuing challenge of excess capacity
- PET bottles with aluminum catalyst – Successful case study
- Japan PET Recycling Market and Latest Developments
- FENC's Innovative Strategy for Japan PET Market
- Food Grade PET Recycling in One Simple Extrusion Step
- Bioplastics market situation in Japan, include the PLA sleeve/labels for beverages
- Hydrolysis resistant PET film for photovoltaic power generation systems
- New blow molding technologies opening up new market applications for PET
- Tomra's Reverse Vending Machines for recycling plastic bottles & beverage containers

Speakers: 7 & I Holdings, PCI, Suntory, Iwatani, T-Bayer International Beverage Business Consulting, Far Eastern New Century, Gneuss, Fpico, ITI Consulting Office, Toyobo, Frontier Inc, Tomra, Erema, and more...

You may view the full agenda online in Japanese / English. PLUS, there will be simultaneous translation English-Japanese during the conference.

Additional Activities

- **Kirin Syonan Plant Tour**
15 March (1545 – 2130hrs)
- **Workshop: Improving RPET Quality & New Developments in PET (bottles/trays/sheets) Recycling**
17 March (1400 – 1700hrs)
- **Suntory Hokusyu Plant Tour**
18 March (0715 – 1700hrs)

会議は日本語英語同時通訳を提供します。
The conference will provide a Japanese-English simultaneous interpretation
